Grandfather Heinrich Goossen, No. 1

"A Genealogy is a history of an ancestor and his descendants."

"The genealogy works down — — to the present time enumerating by generations the descendants of the selected ancestor and following only the blood lines of the one chosen forefather."

—Stetson. The Art of Ancestor Hunting.

Foreword

A Family Book is generally considered as something of a treasure. It is studied at leisure hours and carefully laid away and again referred to as the need arises.

We have made this in the form of a book so more information could be added. Those who wish may find space in each book to add information when changes take place.

This form also makes it easier to add supplements in the future if so desired.

Much work was done by Mrs. Chris. Klassen in gathering data and information.

We hope that this book will fulfill its purpose and prove of real value to each one of you.

For the co-operation we have received in this work, we thank you heartily.

Heinrich Goossen Ancestry

This genealogy begins with Heinrich Goossen. Through research by Mrs. Chris. Klassen, it was found that the parents of Heinrich Goossen were Franz Goossen and Justina Willms.

Franz Goossen, father of Heinrich Goossen No. I, was born in 1775, in Germany. Justina Willms Goossen, mother of father Heinrich Goossen, also was born in Germany in 1801. They migrated to Russia and finally died there. Franz Goossen died in 1868 at the age of 93 years. Justina Willms Goossen, wife of Franz, mother of Heinrich, died in 1883 at the age of 82 years.

Heinrich Goossen No. I, was born April 27, 1824, in Russia. His wife, Maria Loewen was born in the same year and month, April 13, 1824, also in Russia. They were married Nov. 25, 1845, by Heinrich Toews. Maria Loewen's parents were David Loewen and Maria Wiens.

Heinrich Goossen No. I, was baptized May 17, 1871, and Maria Wiens Goossen, his wife, was baptized May 25, 1872, into the Mennonite Brethren faith, 21 years after they were married. Likely, they were rebaptized, for the Mennonite Brethren Faith originated in 1860.

Heinrich Goossen No. I, with his wife, came to America in 1879, and settled in Marion County, Kansas.

Heinrich Goossen No. I and his wife, Maria Loewen Goossen became Charter members of the Goessel Mennonite Brethren

Church. The church building is now the Bergen Funeral Home at Goessel, Kansas.

Heinrich Goossen No. I died May 11, 1906, in Marion County, Kansas, in Menno Township, Section 28.

Maria Loewen Goossen, wife of Heinrich Goossen No. I, died March, 1889, in Marion County, Kansas, in Menno Township, Section 27. Both were layed to rest in the northwest corner in the Alexanderwohl Cemetery of the Alexanderwohl Mennonite Church, Goessel, Kansas.

In order to trace back any descendant in this genealogy to the selected ancestor, Heinrich Goossen No. 1, a system of numbering has been adopted; e.g., I:2 means second child of the first ancestor; that is Marie Goossen, later Mrs. John Krause. I:3:8 means eighth child of the third child of the first ancestor, that is Anna, Mrs. David C. Koehn. I:4:4:4 means fourth child of the fourth child of the first ancestor, that is Hilda Luella Lehrman, later Mrs. Howard Higgins. I:3:1:5:4 means fourth child of the fifth child of the first child of the third child of the first ancestor, that is Elsie Goossen, daughter of Alvin Goossen.

The names of adopted children are mentioned and indication is made that they are adopted.

The asterisk (*) indicates deceased.
